National Cleaners
Program Listed (AT)
Registration #125603

EnviroX sparked the hydrogen peroxide revolution in 1998 with the introduction of H₂Orange₂, the **industry's first hydrogen peroxide** cleaner.

Today, H₂Orange₂'s **patented formulation** remains as **unique and unmatched** as the day it was unveiled. It remains the only hydrogen peroxide-based cleaner that is **EPA registered** as a Sanitizer-Virucide-HBV.

Come discover why professionals prefer the performance of **H₂Orange₂ Multi-purpose Cleaner-Degreaser-Sanitizer-Virucide-HBV.**
