Pure Crafted®

At EnviroX, we are passionate about people.

We believe that clean doesn't have to come at a health cost; you can have a safer, low-toxicity, healthy facility without sacrificing cleanliness, quality or ease of use.

That's why our Pure Crafted® products are carefully formulated to contain only the minimum amount of surfactants needed. This means our products are safer, healthier and leave far less residue than typical cleaners. No more sticky surfaces that get dirty quickly and can harbor bacteria and viruses. Plus, you can instantly simplify your cleaning program, reduce costs and get excellent cleaning results.

This is the core of EnviroX's product development philosophy and our promise to you. Excellent cleaning results—with no harm to your people, your facility or your budget.
