

OxiFresh™ Odor Eliminator

Industrial grade odor remover and air freshener for everyday use.

Destroys malodors wherever they may be!

A highly effective malodor eliminator formulated using EnviroX's proprietary hydrogen peroxide technology. Use to eliminate everyday malodors, without the use of harsh chemicals. Easily destroy unwanted odors and leave behind a hint of freshness.

- Can be sprayed, mopped or used with misters.*
- When diluted according to directions, the diluted products are not classified for Aquatic Toxicity (Acute or Chronic).
- Fully biodegradable by 29 days.
- After product is diluted in accordance with directions for use, eye and skin protection are not required.**

Use in/on:

- Common Open Areas
- Public Restrooms
- Building Exteriors
- Sidewalks
- Trash Receptacles & Dumpsters
- Alleyways
- *Anywhere malodors persist!*

Simplicity.

- Replace dangerous malodor removers with a safer alternative, reducing hazards to your people & the environment.
- No PPE required for in-use diluted product.

Savings.

- High yield concentration results in lower cost per in-use gallon—saving you money.

Amazing Results.

- Eliminates malodors at their source—not simply masking!
- Eliminates a full spectrum of malodors in a wide variety of locations—from restrooms to dumpsters to streets and alleyways.

Pure Crafted®

At Envirox, we are passionate about people.

We believe that clean doesn't have to come at a health cost; you can have a safe, low-toxicity, healthy facility without sacrificing cleanliness, quality or ease of use.

That's why our Pure Crafted® products are carefully formulated to contain only the minimum amount of surfactants needed. This means our products are safer, healthier and leave far less residue than typical cleaners. No more sticky surfaces that get dirty quickly and can harbor bacteria and viruses. Plus, you can instantly simplify your cleaning program, reduce costs and get excellent cleaning results.

This is the core of Envirox's product development philosophy and our promise to you. Excellent cleaning results— with no harm to your people, your facility or your budget.
